

An American flag is visible in the top left corner, and a large, modern campus building with a circular roof is in the background.

America's Safe Campuses

Keeping communities safe & connected

APPLICATION FOR CONSIDERATION

America's Safe Campuses

e2Campus has sponsored a series of free, educational, peer-presented videos that spotlight the best practices in campus safety communications and emergency notification. These quick, informative videos show first-hand how campuses around the United States have worked to increase campus safety and communication. Join the movement! Apply now to be featured in the next installment of America's Safe Campuses.

APPLICATION FOR CONSIDERATION

School Name:

Contact Name:

Contact Title:

Contact Phone :

INSTRUCTIONS:

Please complete the America's Safe Campuses Application along with a one-page summary on why your campus should be considered for an upcoming edition of America's Safe Campuses.

- What type of emergency policies are instituted?
- Describe a real-world situation(s) where your emergency plans and communications were utilized to keep your campus safe?
- What emergency notification endpoints are you currently using or plan on implementing within 3 months?
- Describe how recipients' contact data is entered into e2Campus.
- Explain who has authority to issue alerts and who has the ability to receive them.
- Describe how often your campus safety communications are tested and how.

ENTRIES PROCESS

You will be contacted within 3 months with status of your application. One school is selected twice each year as a finalist for America's Safe Campuses. Please send questions or scan and email your completed entry form to safecampuses@e2Campus.com.
